Dear Parent/Guardian

Careers Advice – Year 10 Students

As we enter the Summer Term, your daughter should now be thinking of future pathways for her education and career. We will be starting the Careers Guidance process over the next few weeks; all students will be offered an appointment with our adviser over the Summer/Autumn Term.

Julie Tipper is a Careers Adviser from C&K Careers who will be offering independent and impartial careers advice and guidance to students. She is here to support students through their decision making and later on, through the application process.

If you would like to be involved in your daughter's careers appointment, please contact Julie either via email: julie.tipper@ckcareers.org.uk or by calling school (Tue -Fri) on 01924 350080 ext 220.

Yours sincerely

Iffat Ahmad
