

Dear Families

Please arrive at School by 8am

Following feedback from students, we have decided that this year's annual Extended Learning Day will comprise a day out of school on a variety of visits, each with an educational focus tailored to a specific year group.

All the visits will provide students with an opportunity to build positive relationships with their new form group and form tutor and will be supported by our Senior Leadership Team, Teaching and Associate staff and Governors.

We hope it will be a fabulous experience for all.

	Year 7	Year 8	Year 9	Year 10	Year 11
Aims of the visit	Maths	Literature - Victorian context and pre-1900 novel	Humanities, Health and Social and MFL	Arts and Culture	Science and PE
Destination	Magna	Beamish	York	Hull	Robin Hood's Bay
Departure and return time (provisional)	8.40am 3pm	8.20am 5pm	8.45am 3pm	8.30am 3pm	8.30am 6pm

- Students will please need to wear comfortable clothing and footwear and your daughter must be prepared for the weather conditions. We will be outdoors for much of the day so it would be a good idea to check the weather forecast and to bring a sun hat and sunscreen or a waterproof jacket, bearing in mind the changeable nature of British weather, as well as suitable shoes/trainers for the activities.
- **Students will please need to be punctual as we will have to adhere to a very tight schedule, so we would be grateful if your daughter could arrive at school no later than 8am on the morning of the visit.**
- Students can either order a packed lunch in advance via their form tutor to collect from school or bring their own.

Please complete and return the attached consent/medical form, in a sealed envelope with your daughter's name and tutor group written on the outside, to your daughter's current form tutor no later than **Thursday 19 July**.

As a health and safety measure, it will be necessary for students to wear their BGHS ID badge at all times on the visit.

Yours sincerely

Julie Haigh and David Cooper
Co-Heads
