

# **Batley Girls' High School Safeguarding Policy Covid 19 Addendum**

## **COVID-19 school closure arrangements for Safeguarding and Child Protection at Batley Girls' High School**

**School Name: Batley Girls' High School**

**Date: 14th April 2020**

**Date shared with staff:**

**This addendum should be read in conjunction with the BMAT Safeguarding Policy.**

## **Context**

From 20<sup>th</sup> March 2020 parents/carers were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This addendum of the Batley Girls' High School Safeguarding and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

<b>Context</b>	<b>2</b>
<b>Vulnerable children</b>	<b>3</b>
<b>Attendance monitoring</b>	<b>3</b>
<b>Designated Safeguarding Lead</b>	<b>4</b>
<b>Reporting a concern</b>	<b>4</b>
<b>Safeguarding Training and induction</b>	<b>5</b>
<b>Safer recruitment/volunteers and movement of staff</b>	<b>6</b>
<b>Online safety in schools and colleges</b>	<b>6</b>
<b>Children and online safety away from school and college</b>	<b>6</b>
<b>Supporting children not in school</b>	<b>7</b>
<b>Supporting children in school</b>	<b>7</b>
<b>Peer on Peer Abuse</b>	<b>8</b>

## **Vulnerable children**

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being a Child In Need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents/carers, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Batley Girls' High School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: Gillian Hughes (DSL) supported by Joanna Seal (Deputy DSL)

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent/carer does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Batley Girls' High School will explore the reasons for this directly with the parent/carer.

Where parents/carers are concerned about the risk of the child contracting COVID19, Batley Girls' High School or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Batley Girls' High School will encourage our vulnerable children and young people to access education, including remotely if needed and will ensure that access to the school setting can be provided.

## **Attendance monitoring**

Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.

Batley Girls' High School and social workers will agree with parents/carers whether children in need should be attending school. Batley Girls' High School will then follow up on any student that they were expecting to attend, who does not. Batley Girls' High School will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

Batley Girls' High school staff will ring /text parents/carers to establish the reason that the child(ren) have not attended their pre-arranged place in school.

To support the above, Batley Girls' High school will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, Batley Girls' High School will notify their social worker.

### **Designated Safeguarding Lead**

Batley Girls' High School has a Designated Safeguarding Lead (DSL) and a Deputy DSL.

The Designated Safeguarding Lead is: Gillian Hughes

The Deputy Designated Safeguarding Lead is: Joanna Seal

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site.

The DSL or Deputy will be available either on site or by telephone at all times during the school day. The SLT members in school where the DSL or Deputy DSL is not present will ensure they liaise directly with them regarding any safeguarding concern.

This might include updating and managing access to child protection online management system, CPOMS and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

It is important that all Batley Girls' School staff and volunteers have access to a trained DSL (or deputy). Members of SLT are on site every day and staff will be informed of the rota so that they are aware of who to contact directly in case of an urgent concern. Staff can contact the DSL directly by telephone during school hours for advice. The number is 07384461614

The DSL or Deputy will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

### **Reporting a concern**

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via CPOMS, which can be done remotely.

In the unlikely event that a member of staff cannot access their CPOMS from home, they should telephone the Designated Safeguarding Lead or contact school immediately. If a colleague believes a child is at immediate risk of significant harm they should contact the relevant agency - all contact details are on the school website.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should report the concern to the Co-Heads. If there is a requirement to make a notification to the Co-Heads whilst away from school, this should be done verbally and following all requirements as laid out in the Staff Code of Conduct.

Concerns around the Co-Heads should be directed to the Chair of Governors:

Pam Pickles

### **Safeguarding Training and induction**

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Batley Girls' High School, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

Upon arrival, they will be given a copy of the receiving setting's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

Staff will continue to be offered safeguarding CPD, this will be online.

## **Safer recruitment/volunteers and movement of staff**

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Batley Girls' High School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where Batley Girls' High School uses volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. **Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.**

Batley Girls' High School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

Batley Girls' High School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk)

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Batley Girls' High School will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

## **Online safety in schools and colleges**

Batley Girls' High School will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

## **Children and online safety away from school and college**

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the Batley Girls' High School code of conduct.

Batley Girls' High School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider supporting remote learning.

- Webcams should not be used.
- Staff must only use platforms provided by Batley Girls' High School to communicate with students.
- All language used by staff should be professional and appropriate.

### **Supporting children not in school**

Batley Girls' High School is committed to ensuring the safety and wellbeing of all its Children and Young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded on CPOMS, as should a record of contact made.

Any student identified as vulnerable who is not seen as being on the edge of social care support but who have been identified as benefitting from additional contact will receive regular welfare calls. These calls will be logged on Bromcom and also on a specific spreadsheet for this person

The communication plans can include; remote contact and phone contact Other individualised contact methods should be considered and recorded.

Batley Girls' High School and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

Batley Girls' High School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of students and their parents/carers. Teachers at Batley Girls' High School need to be aware of this in setting expectations of students' work where they are at home.

Batley Girls' High School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate emotional and pastoral support is in place for them. Any issues or concerns which arise will be recorded on CPOMS.

## **Supporting children in school**

Batley Girls' High School is committed to ensuring the safety and wellbeing of all its students.

The School will continue to be a safe space for children to attend and flourish. The Co-Heads will ensure that appropriate staff are on site and staff to student ratio numbers are appropriate, to maximise safety.

Batley Girls' High School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Batley Girls' High School School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on CPOMS.

Where Batley Girls' High School has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – we will discuss them immediately with the Local Authority.

## **Peer on Peer Abuse**

Batley Girls' High School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on CPOMS and appropriate referrals made.
