

## Performing Arts.

One subject you may not have studied before is 'Performing Arts' (Drama & Music). You will have one lesson a week in Year 7; sometimes Drama, sometimes Music and

sometimes... you may be on a project that combines both!

You will have plenty of opportunities to develop new skills and broaden your knowledge in this subject; our main hope is that you really enjoy working as a team with your classmates, to create and perform all sorts of drama and music.

Drama is taught by Mr Evans, Music is taught by Miss Leaver, with Miss Eastwood teaching extra singing lessons, that some of you may be interested in taking.

So, we're your Performing Arts teachers... but what about you? We'd appreciate it if you would answer a few questions for us. Don't worry if you can't think of an answer to a particular question,

just leave it blank if you honestly can't think of what to write.

**In your Primary school, did you ever take part in any performances?** *These might be assemblies, a play or concert performed to parents or a short performance as part of a celebration event. Please mention what you had to do or what part you played.*

**Have you ever seen a 'live' performance?** *This could be a theatre company that came to your school or maybe you visited a theatre to see a play, pantomime or concert.*

**Have you ever visited our school to watch a performance?** *In recent years our students have acted and sung in versions of 'Alice in Wonderland', 'Peter Pan' and 'The Lion The Witch and The Wardrobe'.*

**Are there any professional Musicians (solo artists or a band) or Actors (film, television or stage) whose work you particularly like/enjoy at the moment?**
