

Welcome to RE (Religious Education)

Hello Year 6 soon to be Year 7, I'm so sorry that we won't be meeting before you come to Batley Girls' High School. However let me tell you a bit about RE.

All the girls at our school study RE. In Year 7 you will study all the main faiths and belief systems; Buddhism, Christianity, Hinduism, Humanism, Islam, Judaism and Sikhism. You will learn about the different beliefs of people by thinking about key questions, for example 'Who is god?' and 'What is God like?'. You will also learn about key people and places associated with the religions as well as think about ethical questions such as 'why do we need to look after the planet?'.

Please complete the tasks to the very best standard you can so that your RE teachers can see how amazing you all are when you join us in September.

Best Wishes
