

17th December 2020

Dear Families,

You may be aware that we play a role nationally in assisting with contact tracing, to limit the spread of coronavirus.

Following guidance from the DfE, we would like to make you aware of our arrangements should there be confirmed positive cases at the start of the holiday period.

If your daughter tests positive for coronavirus between the 18th and 24th December, please notify us by email at coheads@batleygirls.co.uk as soon as possible. Following this we will identify close contacts and inform them that they need to self-isolate.

If your child develops coronavirus symptoms or has a positive test after Friday 24 December, you will not need to contact school. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

Thank you in advance for your support with these arrangements.

Our sincere best wishes,

Julie Haigh and David Cooper
