

Dear parent/guardian,

We will be delivering a virtual assembly to tell your teen all about NCS on 24th February 2021. Hopefully, they'll fill you in, but here's a little overview of who we are and what we're about.

NCS is an experience specially designed for 16-17 year olds. We give young people a few weeks out over the summer holiday to meet new people, try new things and cover new ground. We're all about helping teenagers realise their potential, by giving them a taste for independence and loading them up with new skills so they can go on to smash their future goals.

As a national youth programme, NCS is made up of lots of regional providers – and that's where we come in. We're Huddersfield Town Foundation and we're your local NCS provider. Last year, despite a pandemic we still delivered NCS in summer and autumn 2020. And this year, it's your teen's turn!

Technically a spot on our two/three - week programme costs around £1,500 but because we're government-funded, we only ask for a contribution. The most you'll pay is £50, and we also offer bursaries to further reduce this cost – so *everyone* can do NCS.

This summer, we've got a few dates you can choose from:

5th July 2021 – 3 Week Programme – 60 Places

2nd August 2021 – 2 Week Programme – 60 Places

This year we only have a limited number of places available totalling 120 across both programmes. We will be advertising NCS to 13 local mainstream schools including Batley Girls High School and the places will be assigned on a first come basis. With this in mind, you or your teen can head over to our website at www.wearencs.com and pre-register for NCS and have the opportunity to find out more information and secure their place as soon as the programmes go live.

Want to find out more? Head to: **wearencs.com** where your teen can express their interest and have the opportunity to sign up. Alternatively, if you have any questions or don't think these dates will work with your summer plans, give us a call and we'll do our best to help you out: **0800 197 8010**

Kind regards,

Chris Taylor-Hedley
